Ron Jarvis  
CNR  
10202 Pacific Ave S, Suite 205  
Tacoma WA 98444

The Mission to Mexico in conjunction with the Tacoma Pierce County Crime Stoppers program would like to thank CNR and Ron Jarvis for their generous contributions in both monetary and personnel time to make our past trip a success. CNR has been instrumental in all of our past missions making them all a success.

The Mission to Mexico supported by Crime Stoppers is a group of volunteers that obtain and donate surplus fire engines, ambulances and police cars to villages and towns in Mexico who are in need. To date 16 vehicles, pallets of school supplies and numerous pieces of medical gear and equipment have been donated to 6 different towns and villages.

Without the kind contributions of citizens and businesses in our community these types of charitable projects would not be possible. The volunteers look forward to working with CNR in the future and greatly appreciate the support.
